About ArcGIS Pro for desktop

Students and faculty within the **School of Environmental and Civil Engineering Technology** can download ArcGIS for desktop at no cost.

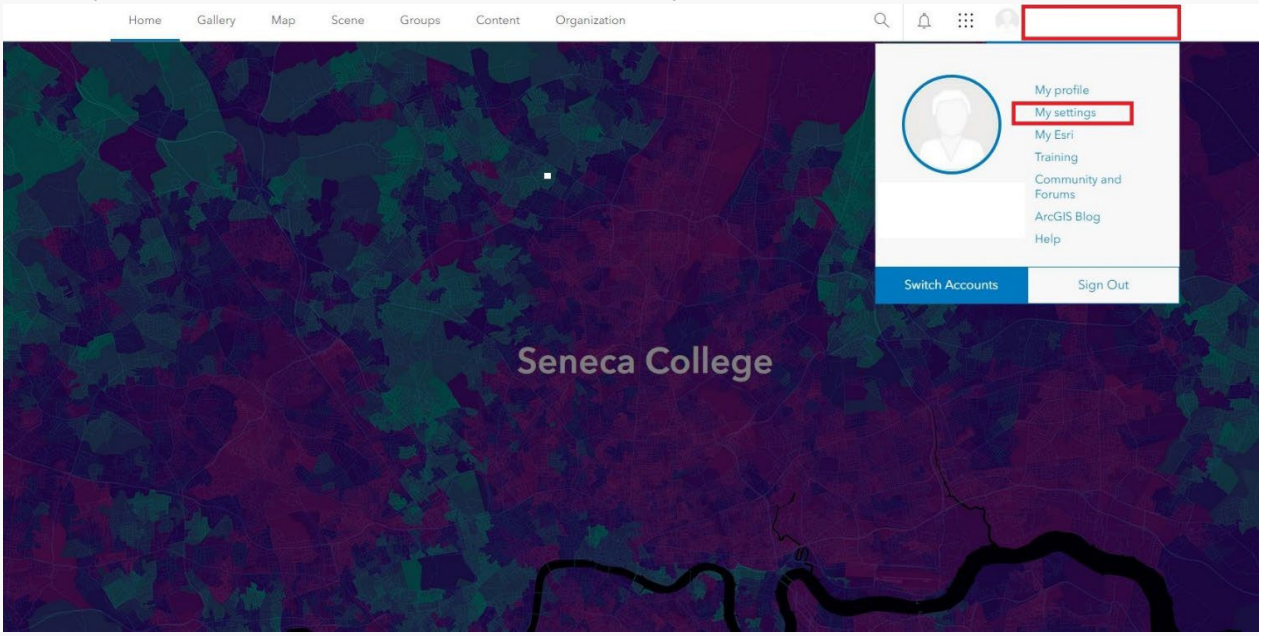

If you are enrolled in an eligible program, or are employed through one of the eligible schools, you can obtain a single-user license and the software to install ArcGIS on your home computer.

Please follow instructions below:

- How to download the ArcGIS Pro 3.2 Installer
- ArcGIS Pro 3.2 Setup
- Licensing and authorization
- Installing updates

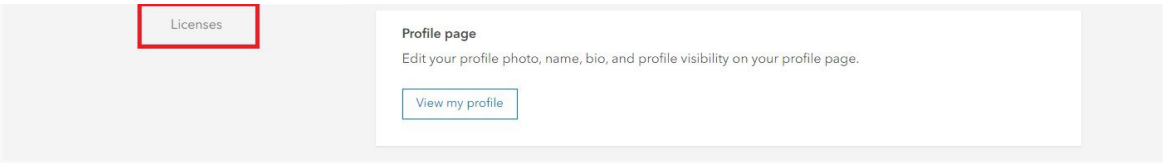

How to download the ArcGIS Pro 3.2 Installer:

1. Visit https://senecatechnology.maps.arcgis.com and select **Seneca SSO**.
2. Sign in using your @myseneca.ca account (or @senecapolytechnic.ca for employees).
3. Click on your username on the top right-hand side and select **My Settings**.

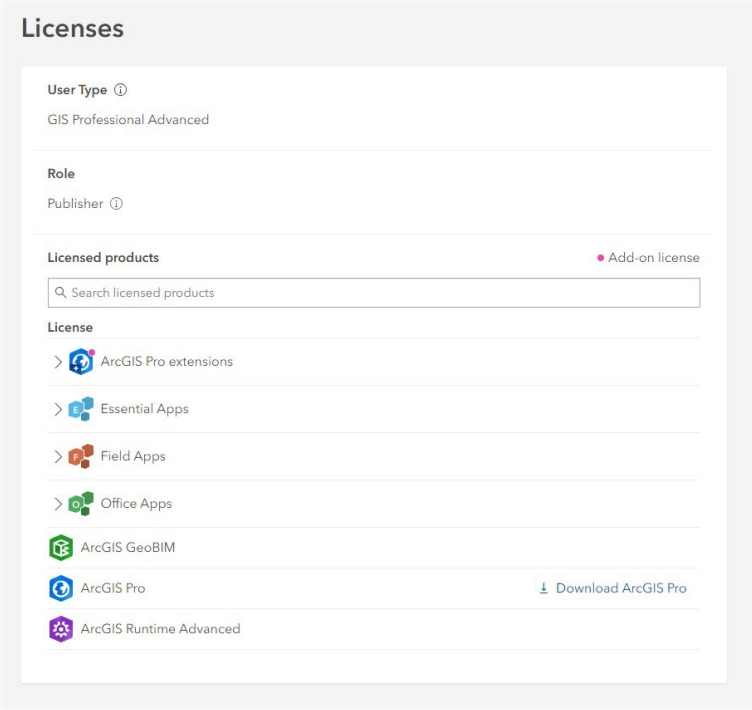

4. Click **Licenses**.

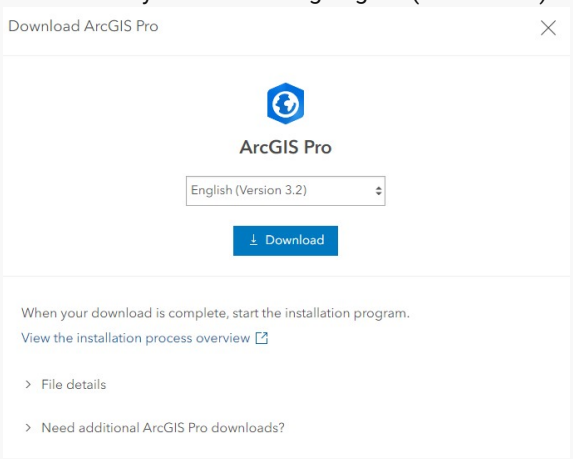

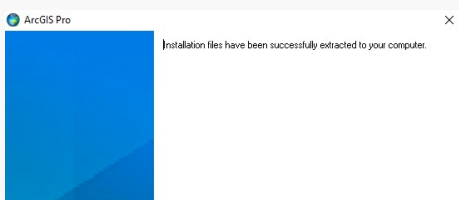

5. Under Licensed products, navigate to ArcGIS Pro and click **Download ArcGIS Pro**.

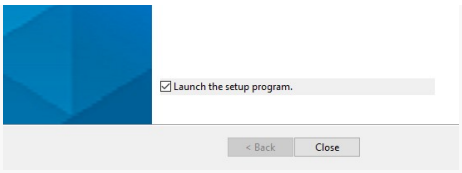

6. Confirm that you are installing English (Version 3.2) and click the **Download** button.

7. **Microsoft .NET Desktop Runtime 6.0.5 is required prior to launching the ArcGIS Pro installer.**
    - **Click the link above following the installation prompts.**
    - **It may be necessary to restart your device.**
8. Launch the ArcGIS Pro application to extract it to your computer.
    - Upon completion, confirm the check box and click **Close**.
