Microsoft Teams

Version 13

Published 1/10/2022 by Nadine Chautilal Last updated 12/13/2023 9:55 PM by Truc Chau

About

Microsoft Teams is a communication and collaboration platform that combines persistent chat capabilities, video conferencing, file storage, and integration with Microsoft applications such as Outlook, OneDrive and SharePoint. The platform is part of Seneca's license of Microsoft 365 apps and services.

Access

- License — All active students are eligible for a Seneca Teams licensed account.
- Creating a Team — Only employees have access to create a Team site.
