

Students medal at Skills Ontario Competition

Published 5/11/2022 by [Stephanie Conte](#)

From left: Seneca students Jonathan Stewart, Tarrick Karim, Tyler Schuette and Ankur Patel, Lab Technologist, School of Electronics & Mechanical Engineering Technology.

For the fourth year in a row, Seneca students have earned top honours at the [Skills Ontario Competition](#). During the annual event, students showed off their skills in a variety of contests across the technology and trade sectors.

Congratulations to the following students who received a medal at the competition:

Technology category:

- Maxim Gontcharenko — gold in Electronics
- Pradeepa Kumarasamy — bronze medal in IT Office Software Applications
- Gerardo Arriaga Rendon — bronze medal in Coding

Industrial category:

- Mark Macario — gold in Precision Machining
- Kian Hassan-Tehrani and Matin Zalpour — gold in Mechatronics
- Tyler Schuette — silver in Precision Machining
- Tarrick Karim — bronze in Computer Aided Manufacturing
- Jonathan Stewart — bronze in Mechanical CAD

Mr. Hassan-Tehrani, Mr. Zalpour, Mr. Gontcharenko and Mr. Macario will represent Team Ontario in the [Skills Canada National Competition](#) later this month.

We are #SenecaProud of all the students who represented Seneca during the competition.
